

10/26/20

Hello Parents,

Term 1 ended last week and grades have been posted. I am proud of each of your students and they are off to a great start!

**What We Are Learning**

This week we will be practicing using evidence from a text to answer questions. We call this I.C.E., which stands for Introduce, Cite, Elaborate. We will also practice listening comprehension. In writing the students will finish their Argumentative Writing Outline by writing a thesis statement, introduction, and conclusion.
